

Prince of Peace COVID Protocols

League Games

If you have a fever, or have had symptoms related to COVID-19, you are asked to stay home and not attend games.

All Players & Coaches must have their temperature check prior to entering the gym. Anyone running a fever above 100 will not be allowed to enter. Coaches are required to perform the temperature screenings.

We ask that you do not enter the gym more than 15 minutes before the start of your game. We will ask people to wait outside, if large groups start to form at the door.

Anyone planning to enter the gym must wear a mask at all times. Players are not required to wear the mask while playing.

Players, Parents, Coaches should enter the gym using the doors nearest the school/concession stand and leave using the doors exiting to the parking lot.

Hand sanitizer will be available at the doors to use as Players, Parents, Coaches enter/exit the facility.

Players and Coaches need to bring their own water bottles. Water fountains will not be available and there will be no concessions.

It will be the responsibility of each team to bring their own balls with them to warm-up.

Parents should respect and observe social distancing while in the gym. Stay in designated areas away from team and coaches. Only two coaches should sit on the bench with their team.

At the end of each game, coaches and parents are asked to gather Players quickly and exit the facility to make room for the next game. Please help us to clear the gyms for the next game by socializing outside.

Anyone who chooses to not follow the above COVID protocols for the 2020-21 basketball season will be asked to leave the POP gym.
